

Kurzbeschreibung des Profulfachs

Lehrkraft: Fr. Krötz

Leitfach: Englisch

Rahmenthema: **English Conversation**

In English conversation classes, quite obviously, it's all about talk, talk, talk!

We will cover a wide variety of subjects, and since there is no curriculum dictating any fixed set of topics, students are welcome to make suggestions. The focus will lie on expanding one's vocabulary, discussion and debate strategies, and Anglo-Saxon conversation manners. Each semester, one oral exam has to be taken as a Klausur.

This class is a perfect add-on to one's regular English class, especially if you like to talk, talk, talk!
